Happy Holidays from the Combined Districts. We held a Hybrid Holiday party in lieu of our District meeting. In person we were of service to 75 masked, socially distanced members of our both districts. Online we held approx. 30 members. Hot Cocoa, treats, Pies and chips greeted our members in person. All members were able to be entertained by a musician. We opened our meeting with our Alt DCMC Marie who chaired. Alex the DCMC was introduced and informed the meeting of what General Service is, where to find us and what we do for the 10 cities we service. Rob the Manager from Central Office followed in his talk. Adam T spoke for 45 minutes and gave an amazing talk. Prior to the closing we raffled off 10 books from AA to the members who attended. 1 grapevine
