T O D A Y (NOW)

.... Responsibility to transmit ideas, concerns, facts, of EACH INDIVIDUAL GROUP as part of the collective "Group conscience" as part of our whole fellowship....

"2-3 years of continuous sobriety is generally the required minimum. Active ... in a home group.....

P.s. This is a great way to actively participate in the process of YOUR sobriety... BG

As Bill W.'s so strongly advocated & adopted by World Service:
I am responsible ... when anyone, anywhere, reaches out for help, ... the hand of A.A. to always be there. And for that, I am responsible".
