**Providence Little Company of Mary
Center for Health Education*****

4101 Torrance Blvd, Torrance CA. 90503

*** Enter from Torrance Blvd. <between Prospect Bl & Hawthorne Bl>, turning north on Earl, then right on Maricopa. Plenty of parking in the lots there. The Center for Health Education is just to the right of the Outpatient Diagnosis Center. Look for a District 1 volunteer.

Did you know that there are a variety of spiritual principles underlying the 12 Steps, the 12 Traditions, as well as the 12 Concepts for World Service of Alcoholics Anonymous? **What are these spiritual principles—or values—and how can we incorporate them into our daily lives in sobriety?** Three guest panelists will explore and expound upon those principles as they relate to the Steps, Traditions, and the Concepts for World Service. **Panelists will then share their experiences with these spiritual principles for living a sober life in times of joy, uncertainty, change, tragedy, and more.** Roundtables will follow, for participants to share and learn from each other. It is our hope that attendees' exploration of the principles will broaden understanding of the diverse spiritual tools our program affords.
