**Delegate Cesar:** My name is Cesar and I am an alcoholic; it is my honor and privilege to serve as your Panel 64 Delegate Area 09. I am happy to report to you that on September 28th, I completed all District Visitation with the Conference Report, that Sunday was a really busy day! Joe and myself gave a Conference Report to a Spanish speaking Orange County convention and then we hit to road to go to District #30 in Joshua Tree. I received 2014 Conference Final Reports, and gave them out to the MSCA 09 members. Box #459, has a great article about how AA came to the Quebec region in Canada - they are celebrating 70 years. Also included was a brief history booklet of the Big Book. Time for Area elections from the Panel 63 Delegates. 12 Areas have conducted their elections so far in the US & Canada. I am looking towards to our Area assisting in the upcoming elections for Areas 05, 93 and 06. I have only one District left to give my Conference Report to. Thanks you so much for your support and hospitality that I received from your Committees and/or Districts. Service is a Legacy of Love. Cesar F. Panel 64 Delegate Area 09

**Alternate Delegate Joe:** My oh my, what an experience this has been. From all the last minute preparation, to the baited waiting, the debriefing, and finally all the report-backs; the 64<sup>th</sup> General Service Conference of 2014, for me, has finally concluded. For Cesar it will last a lifetime. But, it is now time to look ahead. The 65<sup>th</sup> General Service Conference is fast upon us. We will not be receiving the Agenda Items until early next year, thus we have limited time to prepare. Since many of our Districts meet monthly, the time from receiving the Agenda Items, digesting them, relating them to our fellowship, gathering an informed group conscious, then bringing that group conscious back to our Delegate in time for early Spring, is a daunting task. Our Servathon is scheduled to take place in Placentia next month on the 9<sup>th</sup>. While we cannot know with certainty what the Agenda Items for the 65<sup>th</sup> General Service Conference will be, we can, within a certain degree of certainty, forecast some of the general topics. We will begin discussing these in at the Servathon. Of course, this is not the only goal of the Servathon, but this is my primary aim. GSR's, DCMC's, and interested members of our Area, please get the word out. This is an important event directly related to your service positions. After all, this is what we are here for. Given the broad nature of the Servathon, I encourage you to also bring someone who may be interested in General Service. We with General Service experience will be available and pleased to answer any general questions there may be.

**Area Chair Sharon:** Since our last area meeting I submitted my budget for next year and had the opportunity to review the Area budget. Thank you to our finance committee for all their hard work we are fortunate to have a generous membership that allows us and our committees to carry the message. I have signed the insurance renewal for next year. I was also asked to speak at District 23 for their District

anniversary. Thank you for the opportunity. Talked to several members about general service this month and am looking forward to Heritage Day and our Servathon. Thank you for letting me be of service. Sharon

**Registrar Jesus:** I have the honor of serving as the Area Registrar.

Since the last time meeting that feels like it was a week ago. I've been working on group updates and committee translations. Thanks to our more qualified friends in A.A. we were able to set up a drop box for ease of access. We were able to make updated forms in word format for you.

I had the opportunity to speak in a group in Corona about Traditions 7, 8 and 9. I used a lot of Cesar's report on finances for the 7th Tradition. I also met with the Registration Committee this morning and discussed the needs of the Area and the needs of registration as a whole in New York. Please let me know how I can be of help to you or your district registrars. Registration is an ongoing process. Our delegate Cesar came to our meeting and he had some suggestions that might be helpful. Thank you for allowing me to serve. Jesus

My name is Rozanne and I am an alcoholic. I am privileged and honored to serve as your Area 09 Treasurer. Our current status: Please see the Income/Expense Document  
 Since our last Area meeting, I have been busy with the Draft budget for 2015 which is available on the front registration table.

I have also been honored to be the chair for our Ad Hoc Committees which is exploring whether we should have a Policy Committee. We had our second meeting on Oct. 6<sup>th</sup>. We have a great committee and we continue our research and developing criteria to guide our recommendations. The committee is actively offering great ideas and the discussions we have are exceptionally powerful for me as we are truly looking at what is the best thing for our area.

Thank you all for your contributions as always, our Area is extremely generous.

Reminders:

- I can only pay the Committee Chair and I must have receipts and an expense request form
- Please assure your expense reports are legible so I can quickly get your checks back to you.
- Please tell your groups to use the bottom of their receipts to return with your contributions
- Always use your group number on your checks and contributions. If there is no group number, I can't process your check. And it's even worse if I get a money order and there is no information on it to identify the group or individual who sent it. So please, put as much information as possible on the contributions

Thank you for letting me be of service. Rozanne

**Secretary Barbara:** Working hard on our wonderful Area keeps me sober & am I am grateful to all of you for your support and assistance! Since the Sept 14<sup>th</sup> – Area Assembly in Buena Park:

- Sept 19<sup>th</sup> – received the sad news of Nick M's passing. A huge loss to our Area and to AA in general. Am waiting on Memorial info before notifying the Area
- Sept 19<sup>th</sup> – printed out the Board minutes for August (hey, I remembered this month!)

- Sept 20<sup>th</sup> – printed out all approved minutes for May/June/August to turn in to Archives and did some computer work with the old Minutes, Agendas, etc, getting them all in the proper folders and sorting thru some old Eblasted crap
  - Sept 20<sup>th</sup> – attended the Harbor Area H & I Chili Cookoff, where my car died. Made arrangements to get to Sundays Board meeting – thank you for the ride, Jesus.
  - Sept 21<sup>st</sup> – Board Meeting with my besties
  - Sept 24<sup>th</sup> wrote and Eblasted letter regarding the passing of Nick Murray
  - Agenda / August Minutes Eblast to Area done Oct 2<sup>nd</sup>
  - Spoke in Lucerne Valley on Oct 5<sup>th</sup> – great to visit that remote (from me) part of Area 09
  - Yesterday I sent an email to DCMCs and Committee Chairs to submit their reports via email.
  - Random emails, texts, and calls with Board and Area members regarding stuff - lots of stuff
- You need my emails. YOU. NEED. THEM. Just sayin. So if you don't get them, write down your email address (clearly!!) and put them in the box o' fun right here. This is also where all District, Coordinate Committee and Standing Committee reports go, unless you prefer the email route. Questions? Awesome, thank you -
- I remain your respectful and humble servant – Barbara D – Panel 64 Area 09 Secretaria

**DCM School Jim:** With 15 Committee members in attendance, we discussed workshops and seminars – how to plan and conduct them. We covered topics, sources of information, who our target audience is, who we should co-operate with, how to advertise our workshops and follow up to workshops. The DCM School is an ongoing participation workshop – this is not a one time event. It is designed to provide DCMs and interested parties with knowledge and techniques for better performing the duties of a DCM.

**DCM School Spanish Jose A:** The meeting started at 11:05am, with nine members in attendance. Districts present: 20, 21, 22, 23, and 25. **Finance Rich W:** No Report

**Grapevine Ed:** My apologies for missing the Area events for August (vacation) and September (Mens Retreat). Only one person at the GV table today, but Ryan and I occupied the full hour. I will work with Kris to post minutes and "Dos & Dents" for Grapevine article writing on the website. No pending events other than the plan to attend the Area events in both November and December.

**GSR School English Gary:** Committee of 7 met and went over the importance of attending your the steering/business meeting of your home group, attendance at your District and Area meetings. **GSR School Spanish Amador:** Twenty members were present at this meeting. During the presentation we had an Alt-GSR, Jesus from the group "Libertad" from District #20.

We reminded everyone to support our upcoming events, such as the Servathon on Nov 9, and the 26<sup>th</sup> Anniversary of Heritage Day on October 25, 2014. Also our International Convention next year, so we can look for alternatives to be able to attend this Convention.

We also talked about workshops for Service, Inventory, in districts as well as groups.

We studied the 10<sup>th</sup> Concept in our General Service Manual and shared our experiences as far as we can understand it. Thank you for the opportunity to be of service.

**La Viña Victor:** La Viña informs you that I continue to be active in my service. On September 28 I attended the Inter-District meeting and I participated in a La Viña round table. Also on October 10, 2014 District #23 gave me an opportunity in their event to share my experience as a La Viña service worker for Area 09. Today we got together with 1+3 members from Districts 20, 24, and 25 and we shared ideas how to promote subscriptions.

Upcoming events: District 20 member, Leandro, who is the Alt-Secretary of the Auxiliary Committee for the production of Guidelines for the Anniversary of La Viña, informed us that the next meeting will be in Area 58 - S. Note: We have a volunteer for our English Committee, Kitty from District #12.

**Public Information:** No Report

**Registration Casey:** With 7 members in attendance, our Committee was honored to have our Delegate Cesar F join us today. We discussed access to group information and ways to improve updating the group information into FNV. Our Delegate suggested looking into how to take group info Word documents and simplifying the process of adopting them back into FNV format. We discussed how some new groups are informing Intergroup offices of their meeting, but not GSO. Then Intergroup assigns them a non-GSO group number but the groups are assuming that they are registered with GSO when, in fact, they are not. Discussed the need for the Spanish and English Intergroup offices to share their group location/time information so that directories are more robust, helping Spanish speakers find Spanish meetings and visa versa. Thank you again for the opportunity to serve - this continues to be a healthy growing experience for me and those I share this experience with.

Our YPAA community in Southern California would love to bring the International Conference of Young People in Alcoholics Anonymous to our Area, but in order to do that we need to win the bid at ICYPAA this year. We need your support by writing letters of recommendation!

**SOBYPAA** - Since the Sept Assembly, SOBYPAA has hosted their Sept event at the SouthWest Alano Club. With over 100 alcoholics in attendance from as far away as Santa Barbara and San Diego. SOBYPAA collected well over \$600. What a thrilling success!

**District 6 Ashly:** Last month we had a past delegate come in and share with us about Concept 10. We spent most of the meeting discussing the Area Audit from the previous month. Pete, our Area #09 Archivist, is speaking to us at our November meeting about AA history in Southern California. We'll be suspending most of our business meeting in November to make time for this special event
