**Delegate Jesus O:** Ever since PRAASA a common theme with the first year delegates has been "you can't break A.A." I thought I could break A.A. but after the conference I have my doubts that any one member can. We can affect A.A as a whole or other groups but I believe God has a hand in it. In addition, we have the best trusted servants serving and working very hard so that we stay healthy and growing as a fellowship.

Those trusted servants are right here in this room right now. When I spoke at district 20 I told them about my experience at St. Patrick's Cathedral in New York. It's such a magnificent place but when I got there the first question that came to mind was: "Where do I find God in this place?" The answer came right away; " God is right there with you: duh! The same is true for the answers that we seek from GSO; The answers are not in the walls of the building. The answers are in the people themselves that are working for us very diligently, in fact. The answers are right here in this room with us. As long as we keep the principle alive in our lives, A.A. will keep on living, in and through us. Do I think that the conference changed me I do not feel different maybe a little wiser I hope.

Since the last area meeting in March; I attended the pre-conference workshop, the board meeting and a couple of spanish speaking meetings in santa ana and a couple of districts. Then, I attended the 68th General Service Conference in New York. After the conference, I was invited to speak at the District 20 Anniversary Event on May 6th and May 13th I attended and spoke at the La Vina Workshop in Riverside and wrote an article as well. I'm looking forward to visiting your districts in the next few weeks and months. Please remind me if you've already invited me just in case I wrote down the wrong date or time. Thank you for allowing me to serve.

**Alternate Delegate Ed L:** After the extremely busy preparation for the Pre-Conference Workshop, I am happy to see that things have slowed down a bit. I attended the Board meeting of April 15, 2018. I facilitated getting a new contractor agreement with Maria (past interpreter) to serve as our Panel 68 interpreter (the agreement needs to be formally renewed with each panel). I also attended my first 2019 PRAASA planning committee meeting on April 14, 2018. I tried to attend the one on May 5th but the freeway was closed, so I look forward to the next PRAASA committee meeting. I was pleased to work with Marita of the 2018 Nevada PRAASA to get the 2018 round table minutes, which have now been posted on the MSCA 09 website. It was an amazing privilege and pleasure to attend the opening banquet of the 68th General Service Conference as a member of the Grapevine Editorial Advisory Board, where I sat at the table with Grapevine staff, including Ami B and Jon W, Executive and Senior Editors, respectively. I also participated in an EAB conference call several days ago, where there was discussion of several new books that were approved at the Conference, and this fall Grapevine will be issuing a questionnaire to better serve Grapevine subscribers and potential subscribers.

**Registrar Sharon K:** My name is Sharon and I'm an alcoholic. Been trying to get acclimated to my role as Registrar and am pretty well caught up. Since our last meeting I have attended the last board meeting but missed the preconference as my mother was in town. I am distributing packets of groups to the districts that do not have contact information and are labeled unknown groups. Also for new groups I need to make sure they include the approximate start date and number of people. For some reason this is omitted regularly. I helped the registrar for District 6 with a custom list to see which groups do not have GSRs so they can address that. I also have a request for updated list for District 3. I have also sent a few requests to have GSRs sent their packets again. We have a lot to be grateful for in our Area as we have some fantastic and active registrars that are very committed. Thank In love and service.

**Treasurer Accounts Payable Rich W.:** I'm happy to be here today sober one more day and grateful to be of service. I'm still learning but I am feeling more comfortable in the job and grateful for the support as I get up to speed. Since the last Board meeting I worked with the Audit Committee to complete the Area Audit for 017 and look forward to working with Gregory J. and the Finance Committee to update the Audit Procedure to reflect our current bookkeeping processes. I worked with Jose A. to update the books and we are getting comfortable updating our computers and keeping QuickBooks records accurate and up-to-date. I attended the may Assembly. I also was a visitor at the District 4 meeting in Long Beach. I submitted the 1<sup>st</sup> quarter Budget Report to the Finance Committee. I submitted a written copy to the Chair, Secretary, and the AR Treasurer and emailed a digital copy to the entire board. Our checking account balance as of May 20, 2018 is \$33,121,27. Our Savings Account (i.e. Prudent Reserve) balance is \$9,378.57 as of May 8, 2018. I'm looking forward to accompany Jesus on some of his report-backs and am available to support the Area in any way I can. Thanks for the opportunity to be of service. Rich W., MSCA 09 Panel 68 Treasurer-AP.

**Secretary Mitchell B:** Hi, my name is Mitchell and I am an alcoholic. I attended the Area 09 officer Board meeting on April 26, 2017. There were over 200 people registering at the Pre-Conference Workshop, which must be a record in recent history! The room was filled with A.A. members and we ran out of chairs. After I announced my availability to the districts, DCMC Manya W. from District 6 requested I attend their district meeting on May 6: Alt. DCMC Ryan W. created some amazing checklists and forms available at the District 6 page on the MSCA09 Website; meanwhile, my talk focused upon the role of the Service legacy in upgrading both our Unity and Recovery. I also consulted with District 6 Secretary Coty Q about the future of the Annual Grapevine Writer's Workshop, and look
