District Highlights: November 2020

Happy Thanksgiving. Our November Meeting was a treat. We commenced with concept 9 by Madeline P, Past Pacific Region Trustee. Billy N Past AAWS Trustee and Panel 40 delegate did a mini workshop on "Leadership in AA, Ever a Vital Need". Our GSR Breakout room welcomed 3 new GSRs. Five Guests were welcomed at our monthly meeting as well. We are growing in numbers and power. Reports were made by all board members. Financially the District is ending this year with a healthy balance as our main expense was on ZOOM. We currently have two Treasures accepting funds from each district separately. Our amazing district website will be integrating a district 3 presence in the coming months. Our Business meeting had one motion on the table, "In lieu of the December Committee District Meeting, we will have a virtual Holiday party" Motion passed with 2/3rds majority. A draft motion was brought forth by Alt GSR Cindy for consideration on the 2021 Agenda. "GSB to create a Safety in AA Quickstart in Three Parts" was presented at the end of the meeting. Many questions were raised by the district who was leaning unfavorably to being behind this motion. A further motion was brought forward to extend the meeting and failed. At our ECM meeting in Nov we discussed if we should proceed with the Hybrid Holiday party. We were reminded that our job is to serve the entire district. Not just the parts we agree or disagree with. The district we are serving currently hosts 1/3rds of its meetings in person, with this information we have proceeded with a hybrid holiday Gathering. We are still receiving contributions online, and new GSRs are joining us monthly. So grateful to serve the Combined Districts in the South Bay it's an honor and privilege.

Upcoming/Future District Events:

Monthly Mini Workshop/Concepts Study Held Prior to the Business Meeting - *Resumes in Jan*

December 10th Combined Districts 1 & 3 Holiday Party in Lieu of the District Meeting.
