District Highlights: (May) 2020

This past month we were joined by 3 new GSRs from within both districts. We commenced our monthly service manual study presented by Billy N Past Trustee referring to the conference charter. We had a breakout room to host both the new GSRs in our GSR orientation. After our monthly reports we hosted Ed and heard back from him on how the conference went. The meeting went past nine PM. We are grateful and in debt to our amazing delegate for his commitment to service.
