To All Trusted Servants in A.A.,

The MSCA 09 eBoard has decided to cancel the upcoming Area Service Committee (ASC) Meeting in Buena Park this Sunday, March 15, due to public health advisories about the spread of Covid. While this is very disappointing for us, it's obviously the right decision to make under the circumstances.

Plans for the Saturday, March 14 Pre-Conference Bootcamp in Laguna Woods will continue as the location is larger and can accommodate the greater distance between members recommended by the California Public Health officials. MSCA 09 members should keep themselves safe by covering your mouth with your elbow when you cough, wash your hands with soap and water, and if you are sick, stay home. We may have to change how we greet each other instead of shaking hands and hugging.

The plan to hold the May Assembly in Garden Grove is still on the calendar as the Walden Intermediate School has indoor and outdoor seating for roundtables and seating. MSCA 09 eBoard will keep you informed of any changes to our schedule for future events.

Thanks for your flexibility and understanding. This is a challenging time for everyone, and I hope that all of you and your loved ones remain safe, healthy, and sane. We realize that our sobriety still must go even as we prepare to face the constantly changing realities of the situation, or as a phrase heard in the rooms of A.A. goes, "learn how to live comfortably with unresolved problems."

Your Trusted Servant,

MSCA 09 Executive Board, Panel 70
