### **District Highlights for the month of April:**

Greetings from District 12! This month we were delighted to highlight a few PRAASA and Boot Camp experiences. Our members hearts and minds were opened in ways they did not expect. They were both moved and informed by both events, and look forward to attending again in the future. Also, we were delighted to welcome Ed L. our very own delegate from Area 09 to give his power-point presentation on the Agenda Summaries and the Google Response form. We were so grateful for all the information! We broke out into sub-district groups and got some more tips from our DCMs regarding the “how-to” of running an effective group conscience. Everyone left the meeting feeling well prepared and ready to go! Our District 12 Secretary made the difficult decision to step down from the position and we wished her well and thanked her for all her service to us! We are going to miss her! We are now looking to fill the position, and are confident the right candidate will appear. We reminded the group of safety in AA by reading the yellow safety card and posting it in the chat. In light of what we heard at PRAASA, we felt it was a good time for the reminder that how we treat each other is more important than what we get done. Our H & I Liaison gave a great report and encouraged us to participate on panels, and our Sponsorship Workshop Co-Chair let us know that a date has been chosen for the event and more details will follow soon. We are excited for this one! Our Literature Chair reminded us that literature sales are down, and we can help by going to aa.org to partake of all that AAWS has to offer. As always, we continue to look for ways to inspire one another and to meet the service needs in our District.

**Upcoming/Future District Events:** Sponsorship Workshop Virtual Event to be held June 12<sup>th</sup>, 2021, more details TBA.
