District Highlights for the month of June:

Greetings from District 12! This month we took a moment to pause and reflect. Now that the hard work of the Conference is over, we sought new inspiration to continue our service. Our GSR School Co-Chair gave a wonderful presentation of the History of General Service, along with a personal share of why she chooses to serve. The District was so inspired! We then broke up into our Sub-Districts to have our DCMs lead a discussion with the GSRs. They asked the GSRs “What is your why?” And also, “What are your challenges? and “How can we help?” The Board will use the feedback from this session to direct us in future meetings! We elected a new Literature Chair and are looking forward to her informative reports. Our newly elected Accessibilities Chair shared with us all that he is learning while attending virtual meetings in other Areas doing Accessibilities work. His focus for us this month is to determine which meetings in our District are Child Friendly, and which offer Childcare. He is working hard to discover precisely what our District needs are, and how we can help meet them. As always, we continue to look for ways to inspire one another and to meet the service needs in our District.
