- Number present at District Meeting online and in person: 70
- Visitors: Ed L, Delegate Area 09

District Highlights for the month of October:

Howdy, from Districts 1 & 3. This past month we held our third Hybrid meeting. Prior to our meeting we had a painting party, where members created parking signs to direct the Area members attending the servathon we will be hosting in November. The meeting was attended by about seven new GSRs both online and in person. We are thrilled to be growing. The meeting commenced with concepts, traditions and executive reports. Our board members' last meeting in their positions were received well and we thank everyone for their service these past two years. Under old business we went over details from the servathon, and holiday party. Under new business we had two motions, one in regards to the 2022 budget and the other in regards to district 3 remaining within district 1. Both motions passed. Our meeting continued on with members from the district sharing about their experience over the past two years as well as members who are new and excited to be joining us. At the end of our meeting we hugged and are excited about our upcoming events, which we will be going over during the exec board meeting on October 28th.

Upcoming/Future District Events:

District 1& 3 Elections Nov 11th, 2021 Hybrid
Servathon - Nov 13th, 2021 at West High, High School in Torrance, CA
Holiday Party - Dec.9th, 2021 Kiwanis Club Hermosa Beach, CA
