- Visitors: Ed L Delegate, Aron A aa Member

District Highlights for the month of September :

Howdy, from Districts 1 & 3. This past month we held our second Hybrid meeting. Prior to our meeting we had our usual GSR orientation hybrid style. The meeting commenced with concepts, traditions and executive reports. We were informed by Marie the status of the upcoming Technology Committee which will be head hybrid at the SB alano club on October 9th. Jeff, our secretary and member of the website committee, informed us that all documents are on our website and up to date. As we don't currently have a finance chair, our treasure created the 2022 budget that we will be voting on next month. District 3 has continued to make an active role in being apart of our district. We have two motions on the table, of which both passed. We will be having an in person Holiday party and voting on the 2022 budget next month. Our executive board continues to plan for the servathon. The main part of our meeting was a panel lead by Ed on ““Why I Stay in Service” -- 15 minutes w/ Q&A. It was a wonderful share and the members and I had a great time.

Upcoming/Future District Events:
