

**November 27, 2021**

**Notes from CEC Committee Meeting**

**CEC presentation review for All Accessibilities Meeting on December 13, 2021, at 4 PM PST**

**Attendance:** Grant T. Area 9 CEC Alternate Chair (District 8), Jerry S. Area 9 CEC Chair (District 8), Michael M. Past CEC Chair (Area 9), Sharon S. Area 9 CEC Secretary (District 8).

**Ongoing Business:**

1. Jerry, Grant, and Michael M. have been asked to share CEC group efforts at the "All Accessibilities" Zoom meeting held on the 2<sup>nd</sup> Monday at 4pm (December 13, 2021). Jerry reviewed the CEC PowerPoint presentation with group.
2. Michael shared some specifics on the history portion, and she will contact Cookie for further information.
3. Jerry will send PowerPoint to Michael and Grant.
4. Jerry suggested it may be possible to present at PRASSA's virtual meeting this year and will investigate this.
5. Committee members discussed the value of our recent joint committee meetings to support efforts of all committees involved. The General Service Office format has the CEC and Technology as subcommittees, under the Accessibilities' Committee umbrella, and using this format seems to be working for us as well.
6. Group discussed letter and literature recommendations for Nursing Home mailings. Jerry received positive feedback from the email he sent to all the CEC committee members and group agrees to send the cover letter and literature specified.
7. Within the next week, Grant and Michael will send Jerry addresses of Nursing Homes in their specific areas and Jerry will include these with the San Bernardino County mailings. When he receives total numbers, he will have cover letter printed and order the pamphlets to be included in the mailings: "AA for the Older Alcoholic" (P-22), "This is AA" (P-56) and "Is AA for Me" (P-36).
8. Michael suggested ongoing contacts with Nursing Homes and Senior Centers going forward, perhaps every 4 or 5 months, to determine ongoing literature and AA needs of elder alcoholics. She suggests having volunteers reach out to facilities, in their areas, to maintain contact and a consistent presence of the Elder Committee's efforts. Michael steps up as a volunteer for her area- thank you, Michael!
9. We welcome new committee members- please pass the word in your districts and at your meetings.

Yours in Grateful Service,

Sharon S. CEC Secretary
