Committee Highlights

What have I done? Went to the So Cal H&I Conference and participated on panel with 4 other members to give presentations on BTG and Contact on Release. We've filled all districts with a Treatment Chair and committee except 10, 15, 19, 30. Contact has been made with each of these districts. Many district Treatment Committees are starting to reach out to local Treatment Centers to give presentation on BTG and provide information on BTG to administrators. I Had discussion with Liaison for Intergroup Orange County, we are scheduling a presentation for them at a future Intergroup monthly meeting. This past month we've had 7 BTG Contact Requests. 5 of which were successfully bridged, 1 no contact was made, 1 was directed to outside Area. Created Google Form for Workshop ideas.
