Officer Reports:

DCMC: Attended PRAASA w a total of 10 of us from District. Used part of my DCMC budget to treat all to an Italian dinner. Attended Conference Boot Camp in Costa Mesa & the ASC in Palm Desert. I also registered for the Pacific Forum in Las Vegas. See our Area website for any local event postings at MSCA09AA.org or our Central Office which usually has flyers available. AAInlandEmpire.org

As always I'm available by email or phone sharonsdogs@aol.com or 562-243-4242 should you have any questions.

Alternate DCMC: Attended PRAASA .The GM from GSO was the main speaker. We are probably looking at a local Subway for our food at the May ASC & Delegate share back. We will purchase chips, cookies, and sodas saving approx. \$400.00. District 8 is hosting the event and we will need GSR participation as well as volunteers to help bring the food in and set up. Flyers will be available at the April meeting.

Secretary: February draft minutes motioned for approval by **Sharon** ? and 2nd by **Olivia P.** Approved as written. Secretary absent, covered by **Aran.** Thank you. **Secretary requests that reports be sent by email:** clvcv1@gmail.com

Secretary requests that all who participate in District business meeting introduce themselves loudly and by first and last initial/name for the proper recording of your work for minutes

Treasurer: See attached Reports from **Bob H.** attached. Checking balance \$!2,578.64. Contributions: \$551.50 Pd. Expenses of \$670.85, Prudent Reserve: \$6003.24. New Balance: \$ 12,459.79. Expect a big drop in our balance as we move to pay for Grapevine subscription donations, PRAASA, venue expense for May ASC. I also attended PRAASA where over 1800 people attended. I attended a Treasurer workshop which I found very helpful

Registrar: Deborah. Attended the ASC. I'm on the Area Literature Committee and the DCMC School for Panel 74. Discussion on the Literature Background for Agenda items at the conference. Attended PRAASA and went to Registrar and DCM round tables. Learned that

GSO's "Fellowship Connection" program is extremely outdated and we need all GSR's to help update their meeting information and provide it to us. The new sub districts of E and F especially have to be changed in the system from Dist 11 to Dist 8 and all meeting info needs to be corrected. Jerry – DCM Committee Chair is aware and will be looking for help from the meetings in the Mountains.

DCM Sub-District Committee Chairs: (PLEASE EMAIL/TEXT SECRETARY YOUR REPORTS FOR THE MINUTES)

Attended PRAASA & DCM round table as well as a Tech round table for help with our proposed website presentation. Attended Conference boot camp. Attended Grapevine & LaVina workshop at the Archives where

of interesting note I learned that GSO is able to keep 100% of subscription income as opposed to print sales at about 50% due to the high cost of printing and logistics. So please see your online ap store for these and subscribe!

D- Corona/Norco: Ron states: No report

E- Fontana, Bloomington, Rialto, Colton, Grand Terrace, San Bernardino, Highland, Loma Linda: Lynette states: No Feb Report, No Mar Report

F- San Bernardino Mountains Area: Jerry states: Attended PRAASA and tech related round tables. Being a rural community tech and zoom is important to our sub-district and we are looking for ways to upgrade our zoom meeting experiences.

**** Secretary Note:** All PRAASA attendees were extremely happy that they were able to attend, learned much, met many service related friends and indicated all GSR's should look at attending the informative and exciting service event!

Cooperation with the Elder Community (CEC): **MIKE N.** has established a committee consisting of Sharon & Jerry S and George G. Their focus is outreach via letters to 1) Senior Centers, 2) Retirement Communities & 3) Convalescence Hospitals. Can see with the cost of postage (going up again in July) that the \$130.00 budget for these endeavors will not be enough and looks to ask for an increase in the future.

Cooperation with the Professional Community (CPC): OPEN.

Corrections: Teri States : Corrections is getting back on track and working on the «Contact Upon Release Program ». Our efforts on « Bridging the Gap » have been good with an upcoming meeting with San Bernardino County.

Grapevine: Ron W. No Report

GSR School: Sharon S. created a quick reference flyer for new GSR's that was updated since Feb. Held her first GSR school and had 3 new GSR's attend in person and 2 on line. Also attended PRAASA and attended some informative round tables.

H&I Liaison: ELSWORTH W. reports a new change in H & I Treasurer leaving an open position for a new literature chair. Said H & I's balance sheet has a lot of money but it's money they were not able to spend due to COVID and the restrictions placed on H&I members & panels by institutions at those times. He stated things are picking up with panel participation and institutions opening up again. He stated that H & I felt it is necessary to create a letter to inform the groups of these developments due to the concerns about their checking balance and H & I is working on that.

Intergroup Liaison: George G. attended the monthly. Two Board Service positions are open. Intergroup looking for funds from the Picnic proceeds. The picnic committee is looking for desert table items, gift baskets for raffles and volunteers to help with the picnic.
