Every year 135ish members( trustees, delegates and Staff) join for a week long conference where we represent the collective conscience of AA Groups across the US and Canada which guides our Fellowship. At the annual Conference, matters of importance to A.A. as a whole are considered and discussed. Items approved by a two-thirds majority of Conference members become Conference Advisory Actions; they are referred to the trustees of the General Service Board for disposition. After the Conference meeting: Each delegate reports back to their area on Conference proceedings and the approved Conference Advisory Actions and additional committee considerations. Each GSR, having had the opportunity to hear from and ask questions of their delegate, is responsible for informing their group on the Conference outcome.

This report was prepared for the members within Mid-Southern California Area 09. This information is confidential and for A.A members only. Please use your discretion. You may listen and or read. Please contact me for more information
